

WESTON
COLLEGE

"We often feel
accepted as family.
It's a beautiful part of
our role, where we can
assist, embrace and
enjoy a friendship."

Helen - Care Worker

*Homecare is not just personal
care and support to vulnerable
people within their own homes. A
care worker will offer so much
more including emotional support,
guidance, encouragement and in
many cases, a friendship.*

Sector Based Work Academy

Looking for a job in care?

This Sector Based Work Academy is designed to give you the skills and knowledge to work in the Care sector. You will receive a guaranteed developmental interview with feedback from Medacs on successful completion of the course. Medacs have vacancies in all areas of Bristol.

Training

During the course you will be fully supported with your application with Medacs; you will have the opportunity to meet staff and the people they support. You will achieve a Certificate in Health and Social Care together with other related qualifications, preparing you for employment in the Health and Social Care industry.
