OCS, the Special Assistance Provider at Bristol Airport, are looking for people with excellent customer service skills to assist passengers requiring additional support through the airport: from check-in areas within the airport terminal building to the aircraft, or from the aircraft through the arrivals process, ensuring they travel safely and comfortably. These roles are an active, fast paced and make the difference in each and every passenger's journey.

Shifts: Various to suit individual needs for the right people including Minibus Driving, Customer Service and Special Assistance Roles
Wages between £7.50 - £8.80 depending on job role
(driving licence an advantage)

To meet government and security requirements you will need:

- A fully checkable reference history to cover the last five years
- The ability to pass a basic Criminal Record Check / Disclosure
- The Right to Work in the UK

Courses starting in South Bristol and Weston-super-Mare on 1st April 2019 with employment starting after Easter.
