Why choose us?

Our courses

We offer a huge range of courses to ensure you are learning the skills that will help you achieve your educational or career goals. Please book early to avoid disappointment.

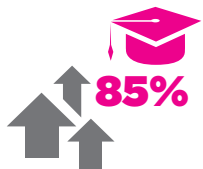

Our links with employers

We work with over 2,500 businesses, universities and organisations, so we understand the skills and qualities they are looking for.

Our success rates

Our results are consistently above national benchmarks, and 85% of people who complete a Weston College course progress into employment, university or further training.

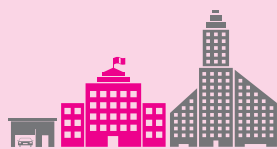

Our reputation

We are one of the top-performing colleges in the South West, and one of the most successful in the country. With us you can expect an exceptional level of teaching and support.

Free careers guidance

We offer free National Careers Service advice and guidance for people aged 19+, with face-to-face appointments available on a regular basis.

Our facilities

We are constantly investing in our facilities to provide you with the best possible learning environment.

How much will it cost?

Most of our students qualify for free or discounted tuition fees, particularly those who are unemployed or on a low income. The prices stated in this guide are the maximum that you will have to pay to study. **You can find out if you are eligible for free or discounted tuition** on the course page on our website. Courses that could be free use this symbol £

The prices listed in this guide are for the first year of the course. If the course lasts for over one year, the fee will also apply to the subsequent years of study. Course fees can vary year-on-year.

Many of our courses qualify for **instalment options**, which will help you spread out the course costs over a period of 12 weeks or above. Look out for IO and ask at enrolment for further details.

Some courses will enable you to apply for an **Advanced Learner Loan**. These loans are not credit-based or means tested, and you will only have to start paying this back if you earn more than £25,000 a year. If you take out the loan for an Access to Higher Education course and go on to complete a degree, the loan will be written off entirely. ALL indicates that you can apply for an Advanced Learner Loan for this course.

You can find out more about the Advanced Learner Loan and our adult finance options by visiting www.weston.ac.uk/ALL or by calling 01934 411 481

CHANGE CAREER

It is never too late to change career, take the leap with our range of short or accredited courses recognised by employers.

ADVANCE CAREER

Get that promotion you deserve, complement your hard work with an industry recognised qualification and training with an outstanding provider.

GET INTO WORK

Take the first step with us. We offer the full range of short courses, from Help With CV Writing to IT Skills, and even the entry-level skills employers are looking for.

HEALTH & WELLBEING

From fitness and counselling to yoga and creative crafts, we offer a number of courses where you can meet new people, take up a new activity, laugh, learn and experience with like-minded people.

EMPLOYERS

You can invest in your workforce and support the professional development of your teams with our range of accredited courses.

GET A DEGREE

A degree could add to your salary. Whether you are looking to access HE or start a Foundation or full Honours degree, we offer over 40 courses in a wide range of subject areas.

ONLINE LEARNING

We offer a range of new blended learning courses, delivered via a virtual classroom with a mix of face-to-face sessions and online study. Allowing you to learn at a time that suits you.

NEW HOBBY

Take up something new, master a skill, meet new people, or take some friends with you. We have a huge range of courses on offer over a wide range of subject areas.

Online and On Campus

The Best of Both Worlds

Online video lectures are available on demand, and can be viewed from your phone, tablet or computer. Lessons last for around 45 minutes and are accompanied by animations and motion graphics to bring concepts to life. Exercises, interactive case studies and analytical tools help to enhance the learning experience further.

On campus, you benefit from regular college classes – without having to commit to attending multiple evenings each week. Experienced tutors will discuss and reinforce what you have learned during your online study and are available to provide guidance on your progress and assessment. Discussion and debate with classmates will help you apply theories to situations you face in the workplace.

Construction Training Centre

The **Construction Training Centre** is Weston College's new facility which is **helping tackle the growing skills shortage** in the construction industry.

The new site is conveniently situated just off the M5 at junction 21. It will **provide training at the point of need** for businesses, their employees and private individuals.

The West of England Local Enterprise Partnership (LEP), have match-funded the project with some **£3.3m** through the Local Growth Fund, administered by the West of England Combined Authority.

The centre provides training in **six key industry areas**. Plant operations, scaffolding, highways and groundworks, health and safety, driver training, and warehouse and forklifting.

Car and Trailer - Cat BE (car and trailer)

Goods Vehicles - Cat C1 (medium goods up to 7.5t)

Goods Vehicles -Cat C (LGV/HGV rigid goods vehicles over 7.5t)

Goods Vehicles - Cat CE (articulated or draw-bar trailer)

Passenger Carrying Vehicles - Cat D1 (minibus)

Passenger Carrying Vehicles - Cat D (bus or coach)

LGV or PCV Theory Test Training - DTS Anytime

DVSA Theory Test Training - DVSA MOD1a (Multiple Choice Questions)

DVSA theory test training - DVSA MOD1b (Hazard Perception Test)

DVSA theory test training - DVSA MOD2 (Driver CPC Case Study)

English, ESOL and Maths

At Weston College, we are committed to making sure that all of our learners are able to achieve a reasonable level of English and maths. This is because **English and maths are valuable skills** that will help you succeed in life and in the workplace.

Our English and maths courses for adults include small and friendly day or evening classes that will help you develop your skills, **increase your confidence**, and gain qualifications.

English courses

Studying English at Weston College will improve your vocabulary, help you express yourself, and build your confidence in grammar, spelling and reading, all of which most employers look for and will make daily life a lot easier.

Maths courses

Most employers look for a sound understanding of maths when recruiting, usually at GCSE level. Basic skills in maths make daily life a lot easier, from adding up receipts and calculating VAT to measuring ingredients while baking.

When?

Courses start from September 2019 until June 2020. There are both day time and evening classes, comprising of one weekly 3 hour session.

Where?

At either our central Knightstone Campus, or South West Skills Campus on Locking Road.

What level?

After your initial interview your individual needs will be assessed so we can place you in the most suitable class for your level.

How to start?

Interviews can be booked online at www.weston.ac.uk/what-can-i-study/courses-adults/english-and-maths alternatively pop into Knightstone Campus and our Customer Information Services Team can help you to enrol.

How to enrol

You can apply for most of our courses online at **www.weston.ac.uk/adults** or if you are applying for a degree (FdA, FdSc, BA, HNC, HND) please visit **www.ucw.ac.uk**.

Applying online is the quickest and easiest way to book your place on our courses. Alternatively pop into Knightstone Campus and our Customer Information Services Team can help you to enrol.

For some courses you'll need to come in to be interviewed before we can confirm your place. This is to make sure that you're enrolling on the right course at the right level, and that the course suits your goals and ambitions.

If you need any help, advice or further information about applying for our courses, please call us on **01934 411 481**.
