JOB DESCRIPTION

FACULTY OF INCLUSIVE PRACTICE

The Faculty delivers a wide range of courses aimed at widening participation particularly for groups of people who might not otherwise access opportunities for learning. We are committed to meeting the lifelong learning needs and aspirations of learners through the development of an inclusive and progressive curriculum provision that supports learners in overcoming barriers to learning. We seek to address social exclusion by helping learners to become active citizens with a range of employability skills.

All areas within the Faculty achieve high levels of retention and achievement and the OFSTED in 2013 graded the LDD areas as Outstanding.

The Faculty currently consists of the following divisions:

- Foundation Learning
- Additional Learning Support
- HE and External Projects
- Weston Bay Residential Training Facility

The Faculty enjoys a high profile within the college and the community. There are strong links with local schools, Education and Health Authorities, Social Service, Bath Spa University College and other organisations.

The Faculty has a commitment to providing all learners opportunities to achieve their full potential by offering individualised programmes and high levels of additional support where appropriate.

Learners benefit from well qualified, experienced and dedicated staff, we have established an excellent recording for placing students on other Further Education courses, training and employment.

The success of the Faculty is based on a strong belief in teamwork and a staff commitment to a learner centred, quality experience.
