# INDUSTRY SKILLS

Through our Career Excellence Hubs you will develop skills for life, which will help you gain employment once you have completed your study programme. We will help you to gain both hard skills, and soft skills, which employers have highlighted as keys skills in this sector, but what exactly are they?

Hard skills are the measurable ones that you list on your CV, and that you may hold certification in. Whereas soft skills are interpersonal, and help you to develop your character, which will benefit you in building relationships with co-workers and customers.

Alongside input from our Career Excellence Hub employer partners and advisory boards, we as a college have invested in powerful Labour Market Intelligence tools

to further guarantee that our curriculum meets employer need. Not only do we use all this information to inform our curriculum design, but it is also used to inform our skills and individual development programme called ID that's purpose is to accelerate your progress towards your career goal and next steps by equipping you with the complete package of knowledge, experiences and skills.

**We have built them into your study programme, meaning you will learn and develop these skills with us:**

## Hard Skills

- Nursing
- Husbandry
- Leadership
- Customer Service
- Sales

## Soft Skills

- Communication
- Customer Service
- Compassion
- Teamwork
- Problem Solving

# PROGRESSION ROUTES

Once you've completed your course, there are several options for you to further develop your skills and knowledge...

If you completed a Level 1, or Level 2 course, you can continue to progress to the next level course. Click here to go back to our course page, and discover the relevant course route, for you.

## Apprenticeships

An apprenticeship is a fantastic way of entering the animal industry. Not only will you get the opportunity to get your foot in the door with a local or national company, you will also be able to earn while you learn.

Through apprenticeships you will work closely with an experienced professional to develop and practice your skills, all whilst receiving the benefits that being a student brings.

We have several degree options on offer at UCW, which will allow you to further develop your knowledge. UCW is rated as Gold in the Teaching Excellence and Student Outcomes Framework, meaning the teaching, learning and opportunities we provide are of the highest quality in Britain.

There are several degree options available in animal related courses, which could lead you on to your dream career of working with animals. You can find the full UCW course list, here.
